

February 17, 2017

On behalf of your Board of Directors, we have some news to share with you. In recent days, our President/CEO has left her position with the credit union. With her departure, we have asked a sister credit union for administrative support. Superior Federal Credit Union has agreed to provide the board with guidance and management assistance during the interim.

Jayne Vaske from Superior Federal Credit Union will be our CEO on an interim basis. Jayne has over 30 years of experience and will be a valuable asset to us during the interim period. Prior to working at Superior, Jayne managed a credit union very similar to Classic Federal Credit Union for over 10 years. She has a wealth of knowledge and will be an immediate benefit to our credit union. Jayne will oversee all credit union operations and assist the Board of Directors as necessary.

With the transition several employees will assume leadership positions. Steve Connor will be our lead Financial Service Representative, and Lee Ann Wildey will oversee our lending operations. Meanwhile, long-time employees, Dottie Disbennett and Karen Riel will continue in their positions, supporting account and operations, respectfully. We appreciate our team's commitment and look forward to serving your financial needs.

During the transition, you and your family can continue to enjoy the products, services, rates and hours of operation that you've come to expect from Classic FCU. Meanwhile, with Jayne's experience and our management team's commitment, we'll strive to ensure your financial future is always bright!

Respectfully,
